

# Making Migration Work for Development

Policy tools for strategic planning in SEE regions and cities.

1 > 2

## The project

MMWD is a strategic project co-funded by the **Transnational Cooperation Programme for South East Europe** (SEE), through the **ERDF** and **IPA**. The Emilia-Romagna Region is the leading partner of **21 partners**, mostly public administrations, in **9 countries**: Italy, Austria, Slovenia, Montenegro, Serbia, Bulgaria, Romania, Moldova, Greece, along with the participation of the IOM as observer.

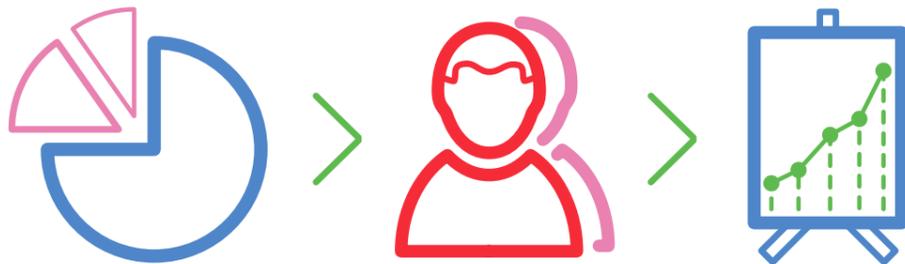

## Scenarios to 2020

MMWD investigates the implications of demographic change on **the effectiveness of territorial development strategies to 2020**. Population projections and analysis of the effects of demographic change on employment, human capital and welfare systems are brought together in **MMWD** regional scenarios. Comparability among **MMWD** scenarios is ensured by a common reference: Europe 2020 and its objectives.

3

## Processes FOR STRATEGIC PLANNING

From **project outputs to support strategic planning**: a process that every Public Administration has carried out in order to improve its ability to anticipate and tackle the effects of demographic change and migration.

## The Figures

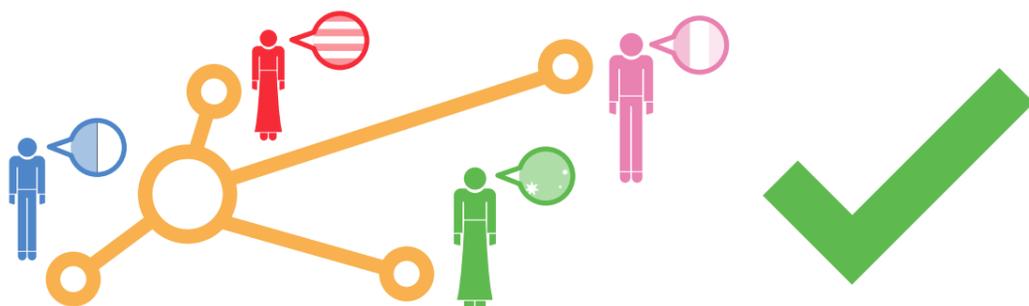

**21** PARTNERS

**30** WORKING MONTHS

**15** TERRITORIAL SCENARIOS UP TO 2020

**03** TRANSNATIONAL ROUNDTABLES

## Proposals FOR SOUTH EAST EUROPE 2014/20

The **Roundtables for Transnational Dialogue** have resulted in the formulation of **Action Plans for cooperation in 2014-20** for the regions of South East Europe, each focusing on a specific aspect of demographic challenges: Mobility and Entrepreneurship; Technical Education and Innovation; Social economy as a sustainable answer to welfare needs.
